than Olympia.*

*— Pausanias —*

*I guess darkness serves a purpose:  
to show us that there is redemption  
through chaos. I believe in that.  
I think that's the basis of Greek mythology.*

*– Brendan Fraser –*

*When people talk about  
holidays in Greece, they often think  
of the islands: Mykonos, Paros,  
Santorini, Naxos. The Peloponnese,  
the southern peninsula of Greece,  
is actually an enormous island,  
with all the benefits of island life  
(beaches, ports, seaside taverns),  
as well as some of the best archaeological  
and historical sites in Greece  
(Epidaurus, Monemvasia and Mystras).*

*– Victoria Hislop –*
